I was gonna keep it real like chill like only have a drink  
or two  
But it turned into a party when I started talking to you

Now your standin' in the neon,  
Lookin' like a high I wanna be on

Baby it's your call,  
No pressure at all...

You don't have to throw back your pretty pink lemonade  
shooter,  
And lean a little closer

You don't have to keep on smilin' that smile that's  
drivin' me wild,  
And when the night is almost over

Meet me in the middle of a moonlit Chevy bench seat  
And do a little bit of country song,  
Hanging on...

You don't have to keep me fallin' like this  
But it'd sure be cool if you did.

You can't shoot me down cause you already knocked  
me dead  
Got me fallin' apart with my heart talking out of my  
head

Let your mind take a little back road  
Just as far as you wanna go

Baby, I'll do  
Whatever you wanna do,  
Wanna do...

You don't have to throw back your pretty pink lemonade  
shooter,  
And lean a little closer

You don't have to keep on smiling' that smile that's  
drivin' me wild,  
And when the night is almost over

Meet me in the middle of a moonlit Chevy bench seat  
And do a little bit of country song,  
Hanging on...

You don't have to keep me fallin' like this  
But it'd sure be cool if you did.

Have a night that you'll never forget  
And now your standin' in the neon,  
Lookin' like a high I wanna be on...

You don't have to throw back your pretty pink lemonade  
shooter,  
And lean a little closer

You don't have to keep on smiling' that smile that's  
drivin' me wild,  
And when the night is almost over

Meet me in the middle of a moonlit Chevy bench seat  
And do a little bit of country song,  
Hanging on...

You don't have to keep me fallin' like this  
But it'd sure be cool if you did.

It sure be cool if you did...
