Tearin' down a dirt road
Rebel flag flyin'
Coon dog in the back
Truck bed loaded down with beer
And a cold one in my lap
Earnhart sticker behind my head
And my woman by my side
Tail-pipe's poppin'
the radio's rockin' "Country Boy Can Survive"
If you got a problem with that, ha ha!
You can kiss my country ass

Well, I love Turkey calls, overalls, Wrangler jeans
Smoke nothin' but Marlboro reds
Tattoos up & down my arms,
And deer heads over my bed.
My Granddaddy fought in World War Two,
My Daddy went to Vietnam.
And I ain't scared to grab my gun,
And fight for my homeland.
If you don't love the American flag,
You can kiss my country ass.

If you're a down home, backwoods redneck,
Hey come on, stand up and raise your glass.
But if you ain't down with my outlaw crowd,
You can kiss my country ass. Aw yeah!

Instrumental break.

Aw yeah...

Well, there's a whole lotta high-class people out there
That's lookin' down on me
Cause the country club where I belong

Is the Honky Tonk till three in the mornin'
Don't wear no fancy clothes
No ties or three piece suits.
You can find me in my camouflage cap
My t-shirt and cowboy boots
If that don't fit your social class

You can kiss my country ass

If you're a down home, backwoods redneck
Hey, come on, stand up and raise your glass
But if you ain't down with my outlaw crowd
You can kiss my country ass

Well I'm a front-porch sittin',
Guitar pickin', moonshine sippin',
Backer juice spittin' country boy from the woods
And I love fried chicken & blue gill fishin'
And outlaw women, an' I wouldn't change if I could. NO!
I ain't tryin' to start no fight, but I'll finish one every
time
So you just mind your own damn business
Stay the hell outta mine.
If you got a problem with that
You can kiss my country ass

I said if you got a problem with any of that
You can kiss my natural born, Redneck to the bone
Ever-lovin' country ass.
