Red roadside wild flower if I'd only picked you  
Took you home set you on the counter  
Oh, at least a time or two  
Maybe she'd thought it through

Yellow sunset slowly dippin' down in the rear view  
Oh, how she'd love to sit and watch you  
I could have done that a whole lot more  
If I hadn't been so stubborn  
Been so selfish  
Thought about her more  
Thought about me less  
Joked and maked her laugh  
Held her when she cried  
A little more that, maybe I

Wouldn't be drivin' like hell  
Flyin' like crazy down the highway  
Callin' everyone we know  
Stoppin' any place she might be  
Goin' any place she might go  
Beatin' on the dash  
Screamin' out her name at the windshield  
Tears soakin' up my face  
If I had loved her this much all along  
Maybe, maybe, yeah maybe  
She wouldn't be gone  
She wouldn't be gone

She warned me it was comin'  
Said if I didn't change  
She was leavin'  
I just didn't believe  
She would ever really walk out  
God, I believe her now  
Called her mamma  
Cried like a baby to her best friend  
If they've seen her, they ain't sayin'  
They ain't sayin'  
Now, I'm cursing like a fool  
Prayin' it ain't too late  
All I wanna do is fix my mistakes

Find her, beg her for one more try  
Until then damn it I'll

Wouldn't be drivin' like hell  
Flyin' like crazy down the highway  
Callin' everyone we know  
Stoppin' any place she might be  
Goin' any place she might go  
Beatin' on the dash  
Screamin' out her name at the windshield  
Tears soakin' up my face  
If I had loved her this much all along  
Maybe, maybe, yeah maybe  
She wouldn't be gone  
She wouldn't be gone

I wouldn't be beatin' on the dash  
Screamin' out her name at the windshield  
Tears soakin' up my face  
If I had loved her this much all along  
Maybe, maybe, yeah maybe  
She wouldn't be gone

Red roadside wild flower if I'd only picked you  
Took you home set you on the counter  
Oh, at least a time or two  
Maybe she'd thought it through
