I was gonna keep it real like chill like only have a drink
or two

But it turned into a party when I started talking to you
Now you're standing in the neon looking like a high I
wanna be on

Baby it's your call, no pressure at all

You don't have to throw back your pretty pink
lemonade shooter and lean a little closer
You don't have to keep on smiling that smile
that's driving me wild and when the night is almost
over

Meet me in the middle of a moonlit Chevy bench seat
and do a little bit of country song, hanging on
You don't have to keep me fallin' like this
But it'd sure be cool if you did

You can't shoot me down cause you already
knocked me dead
Got me falling apart with my heart talking out of my
head
Let your mind take a little back road
Just as far as you wanna go
Baby I'll do whatever you wanna do

You don't have to throw back your pretty pink
lemonade shooter and lean a little closer
You don't have to keep on smiling that smile
that's driving me wild and when the night is almost
over
Meet me in the middle of a moonlit Chevy bench seat
and do a little bit of country song, hanging on
You don't have to keep me fallin' like this
But it'd sure be cool if you did

Have a night that you'll never forget
And now you're standing in the neon
Looking like a high I wanna be on

You don't have to throw back your pretty pink
lemonade shooter and lean a little closer
You don't have to keep on smiling that smile

that's driving me wild and when the night is almost
over
Meet me in the middle of a moonlit Chevy bench seat
and do a little bit of country song, hanging on
You don't have to keep me fallin' like this
But it'd sure be cool if you did
Yeah, it'd sure be cool if you did
