Saint Christopher
He's lost and shaking
He didn't know
The neighbourhood ends
Their walking
In the streets
Is that your dog
With my name
In my name
Is that rain
Goodnight
Even more rain
Goodnight
Zozo plays
Broken world

And clouds will laugh
With broken voices
To play just once
With not one reason
So slowly hear it walk
Can't hold it still
We're waiting
In our names
Is that rain
It's here
The last song came
Good night
Zozo plays
Broken world
