Verse 1: When the moon hung soft and low catching
stardust in the light
You held me closer and closer there was magic in the
night
A sweet love song a melody that I still can recall
Two young hearts filled with dreams to walk away from
it all
Chorus[1x]: whoa whoa tender years won't you wash
away my tears
How I wish you were near please don't go tender years
A summer love a beach romance salted kisses in the
sand two young hearts filled with fire lost in never
never land
Chorus [2x]
