Huh, ha, uh, do it

Move it, groove it  
Just keep on hooking  
And keep on slinging

Hook it, sling it, woowee  
Ooh, but I got a groove

Lemme see if I can get out there  
And do that thing with you  
Want me to try it  
Yeah, let me get it

Woo, I like this thing  
Woo, but I got a groove, ha  
Woowee, did I do it right, y'all

Let me gave it one more time  
I think I can, I think I can do it

Now I'm gonna give it to you  
You want it, okay, you got it  
Go on now with your bad self, ha

Woo, but I just can't  
Stop doing this thing  
I love this hook and sling  
Let me do it again one more time

Lord, that feels good  
Woo, it make me feel  
So unnecessary  
I love this hook and sling

Girl, you over there  
With that green dress  
And those great big old yams  
You look so good  
You love to do that thing  
They call hook and sling  
Don't you

Well, do it again for me

Do it, baby
