well honey-honey please don't go
don't you know i love you so
how can our love grow
if you bye-bye-baby me
well honey-honey say you'll stay
please don't ever go away
each night i drag the day
that you bye-bye-baby me

i gotta rattle my bones
'cause i'm a rollin' stone
i'm always movin' around
as the weeks go by, i feel like i
oughta get out of this town
well my baby packs my suitcase
and comes down to the train
with a tear in her eye she breathes a sigh
and i can hear my baby say
well she says honey-honey please don't go

sittin' on that choo-choo train
sing a little rockin' rhyme
i visualize my baby
i can almost hear her cry
i try hard not to listen, turn my head away
but each chug-chug of the choo-choo train
i can hear my baby say
well she said a-honey-honey please don't go
honey i love you so
how can our love grow
if you bye-bye-baby me
