Well c'mon everybody and let's get together tonight I got some money in my jeans And I'm really gonna spend it right Well, I been doin' my homework all week long Now the house is empty and my folks are gone Ooh, c'mon everybody (Let's get together)

Well my baby's number one But I'm gonna dance with three or four And the house will be a-shakin' From the bare feet a-slappin' on the floor Hell when you hear the music you just can't sit still If your brother won't rock, then your sister will Ooh, c'mon everybody (Let's get together)

Hell we'll really have a party But we gotta put a guard outside If the folks come home, I'm afraid they gonna have my hide There'll be no more movies for a week or two No more running 'round with the usual crew Who cares? C'mon everybody... c'mon everybody
