My tattle tale is a cute little girl
My tattle tale she puts your heart in a whirl
My tattle tale is a-shakin' me true

My tattle tale she makes a-me blue
When she says, I'm gonna tell my mammy on you

Oh honey I feel so low
C'mon darlin' break the first piece
What do I tell my history teacher
My tattle tale now I think you should know
My tattle tale is not so slow
My tattle tale can get you too
When she says, I'm gonna tell my mammy on you
Oh yes I am...
