I just wanna be a playboy, play it night an' day boy
Just wanna have lots of fun
Chase the girls and spend lots of mon...
I just wanna be a playboy, 'cause that's the only way
boy
To really get a lotta lovin' done, while I'm still young
I don't especially want a limousine
I don't especially want a Cadillac
I just want a hot rod machine and really wreck a back
I just wanna be a playboy, just wanna be the real McCoy
I don't really want a steady girl

I just wanna be a playboy, I just wanna spread lots of
joy
I gotta get a lotta lovin' done, while I'm still young
playboy!
