Are you tired of staying home and being lonely
Walk the dog (walk the dog)
Walk the dog (walk the dog)
Would you like a way to meet your one and only
Walk the dog (walk the dog)
Walk the dog (walk the dog)
Big dog, little dog, all you gotta do is walk the dog

First you take a little stroll around the corner
Walk the dog (wroof-wroof)
Walk the dog (wroof-wroof)
When she sees you walking by, then she's a goner
Walk the dog (aarhw-aarhw)
Walk the dog (aarhw-aarhw)
Big dog, little dog, all you gotta do is walk the dog

Hot diggety-dog, the ice is broken
Without a single word being spoken
And if you play your cards just right
You got yourself a date for Saturday night

You can start to wear a smile of satisfaction
Walk the dog (walk the dog)
Walk the dog (walk the dog)
It's the way to be the center of attraction
Walk the dog (walk the dog)
Walk the dog (walk the dog)
Big dog, little dog, all you gotta do is walk the dog
D-o-o-o-g...

Hot diggety-dog, the ice is broken
Without a single word being spoken
And if you play your cards just right
You got yourself a date for Saturday night

You can start to wear a smile of satisfaction
Walk the dog (walk the dog)
Walk the dog (walk the dog)
It's the way to be the center of attraction
Walk the dog (walk the dog)
Walk the dog (walk the dog)
Big dog, little dog, all you gotta do is walk the dog

D-o-o-o-g...

You walk mine, I walk yours
A little dog
Hounddog
