You're sexy as a panther
Charm a mile wide
Brighter than the moon on a clear mountain night
Wild as a dragon, crazy as a loon
I knew when you walked in the room

I can't stay away
Old salty dog and the sea
I can't stay away
A moth to flame got nothing on me, no no

Bold as an opera
Deep as roots on a tree
Smooth as your wet ruby lips on me
Bottle on the table, candlelight dream
A fine drop's all that I need

I can't stay away
Old salty dog and the sea
I can't stay away
A moth to flame got nothing on me, no no

Hits me in the chest
It cradles my heart
A mystery as simple as counting every star
Time disappears and the magic remains
The song keeps calling my name

I can't stay away
Old salty dog and the sea
I can't stay away
A moth to flame got nothing on me, no no
No

My passions play to me every day
There ain't nothing in this crazy little world gonna keep
me away, now

I can't stay away
Old salty dog and the sea
I can't stay away
A moth to flame got nothing

Got nothing on me
