I'm lost in severland
I'll never make my way home even though I try
grief's stuck on me
I can't cut her loose, she only lets me cry

I was advised and warned
had my pain and washed it clean
I did not take heed
and now that wicked thing, it lives in me

yeahhhh
I'll never, never be free
yeahhhh
it lives in me

a fall wind blows
and the white fog rose in across the sky
sad struck me down, I can't turn around
she likes to see me cry

yeahhhh
she likes to see me cry
yeahhhh
she won't let me fly

I'm sorry
I had to go
I'm always with you
I'm sorry
I didn't know
I'll always miss you
I'm sorry
I couldn't stop this...
ooo

I'm lost in severland
I'll never make my way home even though I try
grief's stuck on me
I can't cut her loose, she only lets me cry

I was advised and warned
I had my pain and washed it clean

I did not take heed
and now that wicked thing, it lives in me

yeahhhh
I'll never, never be free
yeahhhh
this thing, it lives in me

I'm sorry
I had to go
I'm always with you
I'm sorry
I didn't know
I always miss you
I'm sorry
I couldn't stop this... from our?
I'm sorry, I'm sorry...
