Oh, Priscilla, at last I've found you
Come let me put my arms around you
Oh, Priscilla, you sweet, sweet thing, you
Please wear my ring on your finger

(CHORUS)

Ooh, Priscilla, hey, hey, Priscilla
Hey, little girl you know
You've got my poor happy heart
Ooh, Priscilla, hey, hey, Priscilla
Well, I hope you know
Just what you have started

You came near me and rolled those eyes
You knew they'd get me by and by

(CHORUS)

In the morning and night time too
I can't seem to get my mind off you

(CHORUS)

Oh, Priscilla (oh, Priscilla)
Hey, Priscilla (hey, hey, Priscilla)
My Priscilla (oh, Priscilla)
Mmm, Priscilla (hey, hey, Priscilla)
Oh, Priscilla...
