Any time you're feelin' lonely
Any time you're feelin' blue
Any time you feel down-hearted
That will prove your love for me is true

Any time you're thinkin' 'bout me
That's the time I'll be thinkin' of you
So any time you say you want me back again
That's the time I'll come back home to you

---- Instrumental Interlude ----

Any time you're thinkin' 'bout me
That's the time I'll be thinkin' of you
So any time you say you want me back again
That's the time I'll come back home to you
