HEART

Eddie Fisher

(You gotta have heart, you gotta have heart)

You've gotta have heart
All you really need is heart
When the odds are sayin
You'll never win
That's when the gring should start

You've gotta have hope
Mustn't sit around and mope
Nothins half as bad as it may appear
Wait'll next year and mope

When your luck is battin zero
Get your chin up off the floor
Mister you can be a hero
You can open any door
There's nothin to it but to do it

You gotta have heart
Miles and miles and miles of heart
Oh it's fine to be a genius of course
But keep that old horse before the cart
First you've gotta have heart

You've gotta have heart
All you really need is heart
(When the odds are sayin you'll never win
That's when the grin should start)

You've gotta have hope
Mustn't sit around and mope
Nothins half as bad as it may appear
Wait'll next year and mope

When your luck is battin zero
Get your chin up off the floor
Mister you can be a hero
You can open any door

There's nothin to it but to do it

You gotta have heart

Miles and miles and miles of heart

Oh it's fine to be a genius of course

But keep that old horse before the cart

First you've gotta have heart
