We met in a dream
You walked by my side
And there in that dream
Your arms opened wide

All the thrills I had missed
Shone bright in your eyes
Then softly, we kissed
What a sweet surprise

Love's magic divine
Enchantment supreme
It was yours, it was mine
What a perfect scheme

To the heavens above
I'm praying that you
Give me that which I love
Let this dream come true

All the thrills I had missed
Shone bright in your eyes
Then softly, we kissed
What a sweet surprise

Love's magic divine
Enchantment supreme
It was yours, it was mine
What a perfect scheme

To the heavens above
I'm praying that you
Give me that which I love
Let this dream come true

Let this dream come true
