Hoo (Eddie's love) Eddie's love

I could build you a palace of pearls
A tower of diamond rings
I could pave you a street with gold
But these are meaningless things

All the gifts in the world can
Can make what my heart has to say
But I'll give you everyday
All of my love, all of my love

Hoo (Eddie's love) Eddie's love

I could recite you a poem so sweet
Compose a song to sing
I could write you a book of love
But these are meaningless things

All the gifts in the world can
Can make what my heart has to say
But I'll give you everyday
All of my love, all of my love

Hoo (Eddie's love) Eddie's love

I could fly you beyond the sun
Filled your pockets with moonbeams
I could capture for you a star
But these are meaningless things

All the gifts in the world can
Can make what my heart has to say
But I'll give you everyday
All of my love, all of my love

Hoo (Eddie's love) Eddie's love

I wanna say...
Hoo. (Eddie's love) Eddie's love.
If you want it you got it

Hoo. (Eddie's love) Eddie's love.

(I wanna say it)

I wanna say it, I gotta say it

Hoo. (Eddie's love) Eddie's love.

You got it

Hoo. (Eddie's love) Eddie's love.
