Visit "[Fly](#)" on [MotoLyrics.com](#)

Iâ€™m kinda small for my age but Iâ€™ve learned to be
quiet
Did you know if your quiet enough you become
invisible?
Indivisible,

Ours is a family of 3 thereâ€™s my mom dad and me
Iâ€™m the only one whoâ€™s quiet
Wish theyâ€™d shut up and try it

But donâ€™t underestimate me
Iâ€™m seven years tall and all I need is a cape and a
mask
So I can fly outta here
I can fly outta here (repeat)

Iâ€™m kinda smart for my age,
Itâ€™s only a gift in music,
they donâ€™t choose you used choose it
But I choose ordinary, yes Iâ€™m a very ordinary canary
And my legs donâ€™t work too well.
When I was 2 and a half I fell.
And now Iâ€™m just a slowpoke.
Momma says keep that an inside joke

But donâ€™t underestimate me. Iâ€™m seven years tall.
And all I need is a cape and a mask

So I can fly outta here
I can fly outta here (repeat)

There's no one in this world that can tell I'm undercover
Theyâ€™ll all have to tell each other one day one day
I knew him win. So donâ€™t underestimate me
Cause Iâ€™m seven years. And all I need is a cape and a
mask
So I can fly outta here
I can fly outta here (repeat)
