Happy make you happy baby

I just wanna make you happy make you happy baby

Ain't too cloudy skies when trouble pressing
depression should make you cry I will show you a better
side where there's a rainbow shining just for your eyes

Happy gonna make you happy baby don't be sad and
blue happy come just for you I will take your frown turn
it up side down every, every care I'll chug away some
where if a tear should fall down your pretty face it will
be from happy let me make you happy baby

For your smile I'll be a clown I'll get my laugh bags and
my funny shoes bring your heart and sit right down
there is nothing I won't do just to make you happy

I just wanna make you happy baby I'm so close I feel
your sorrow too when I'm see you cry my eyes won't
stay dry ooooh, ooooh, ooooh, baby can't you I just
wanna be I wanna be your happy

I wanna make you happy baby I want, want you in my
arms be your blanket keep you safe and warm I want
be your guiding light let me lead you down the path of
light

Happy baby, baby I won't let them take your smile away

Don't be sad and blue happy come for you I will take a
