The parts in brackets are the background voices of the rest of Eddie From Ohio

Sarah's the kind of girl who's 3 feet tall, but she's built like an Amazon woman.

Sarah's the kind of girl who's 3 feet tall, but she's built like an Amazon woman.

And all the boys think she's pretty.

And all the girls think she dresses swell.

And all the teachers think that she's the smartest one in class,

But I think- she oughta go to Hell.

Sarah's the kind of girl who pierced her ears years before anybody else.

Sarah's the kind of girl who pierced her ears years before anybody else.

And all the mothers say her mother was-

And all the mothers say her mother was a slut

And we couldn't pierce our ears till we turned 12 no matter what

And I think,

Well you know what I think.

1000 Sarahs in my head [1000 Sarahs in my head]

1000 Sarahs circling me in my bed.

I thought I got rid of her but she multiplied instead.

1000 Sarahs, 1000 Sarahs

1000 Sarahs, 1000 Sarahs

I don't like her, I don't like her,

I don't like her and you can't make me!

I don't like her, I don't like her,

I don't like her and you can't make me!

1000 Sarahs in my head [1000 Sarahs in my head]

1000 Sarahs circling me in my bed.

I thought I got rid of her but she multiplied instead.

1000 Sarahs, 1000 Sarahs

1000 Sarahs, 1000 Sarahs

1000 Sarahs [1000 Sarahs, 1000 Sarahs]

1000 Sarahs [1000 Sarahs]

1000 Sarahs [1000 Sarahs, 1000 Sarahs]

1000 Sarahs

Spoken: Hey!
