Every nation and every tongue  
Lift high the Name of the Holy One  
Every race, creed and tribe  
Lift up the Name of the Lord Most High

[Anthem x2]  
Sing your songs of deliverance  
Dance your dance of victory  
You are free

All God's people everywhere  
Lift your hands up in the air  
As you worship His great Name  
Your nation will never be the same

[Chorus x2]  
Every nation, all of creation  
Lift high the Name of Jesus  
Make for His presence  
A Holy habitation  
Lift high His Name

Chains be broken, wounds be healed  
Storms we now say, "Peace, be still"  
Sons and daughters prophesy  
Our generation now arise
