As I look back over my life
I can see how Your love has guided me
Even though I've done wrong
You never left me alone
But You forgave me
And You kept on blessing
This I recall to my mind
Therefore I have hope
It's because of Your mercy that we are not consumed
Because thy compassions fail not,
They are new every morning
Great is Thy faithfulness
Great is Thy faithfulness

As I look back over my life
I can see how Your love has guided me
Even though I've done wrong
You never left me alone
But You forgave me
And You kept on blessing
This I recall to my mind
Therefore I have hope
It's because of Your mercy that we are not consumed
Because thy compassions fail not,
They are new every morning
Great is Thy faithfulness
Great is Thy faithfulness

You've been, Lord You've been so faithful
(Even though sometimes I didn't do what You wanted
me to do)
You've been, Lord You've been so faithful
(Even though sometimes I didn't say what You wanted
me to say)

I can never repay You Lord for what You done for me
How You loosed my shackles and you set me free.
How You made a way out of no way
Turned my darkness into day
You've been my joy in the time of sorrow
Hope for my tomorrow

Peace in the time of storm
Strength when I'm weak and worn

You've been, Lord You've been so faithful
(Even though sometimes I didn't do what You wanted
me to do)
You've been, Lord You've been so faithful
(Even though sometimes I didn't say what You wanted
me to say)
You've been
