Media won
The war is over
I guess it's time for me to find a new cause
Protest the war
Protect the planet
Maybe even try to end world hunger
But goddamn the fucking rich
You know the ones
Whoever has the biggest pile
Has the biggest guns
A kick in the nuts
To whoever has the guts
To lie to me
To lie to us
We're not that dumb

An open sore
Covers the planet
It's you and me
And giant cars and factories
Why don't we try to just get by?
Stress can kill you just as much as bullet wounds
We don't want it all
We just want enough
Light a match to an suv and blow it up
Kick in the nuts
Whoever has the guts
To lie to me
To lie to us
We're not that dumb
