Don't be afraid,
To pleasure yourself.
Can't you remember,
How good it felt?

Cravin' for love,
Is a natural desire.
Don't fight the feelin',
And let me take you higher.

A love don't dare
Has made you grieve.
But this love of mine,
Can bring relief.

Come get the cream off the top,
Come get the best that I got,
And I'll belong to you.

Come get the cream off the top,
Come get the best that I got,
And I'll belong to you.

I'm willin' to give you,
More than I take.
If it takes all night,
I'm willin' to make...

Make good love to you.
And bring you pleasure.
The kind of love,
That you can treasure.

You've spoken of love,
I know you've tasted it.
But without the rest of it,
Life can be wasted.

Ahhh, take it baby.
Take it baby.
Come take all that I got.

Ahhh, take it baby.
Take it baby.
You can have all I got.

A mouth full of love,
Is all you've tasted.
Without the rest of it,
Life can be wasted.

Ahhh, take it baby.
Take it baby.
Come get all that I got.

Take it baby.
Ahhh, take it baby.
You can have all I got.

Come get the cream off the top,
Come get the best that I got,
And I'll belong to you.

Come get the cream off the top,
Come get the best that I got,
And your dreams'll come true...
