Happy make you happy baby

I just wanna make you happy make you happy baby

Ain't too cloudy skies when trouble pressing  
depression should make you cry I will show you a better  
side where there's a rainbow shining just for your eyes

Happy gonna make you happy baby don't be sad and  
blue happy come just for you I will take your frown turn  
it up side down every, every care I'll chug away some  
where if a tear should fall down your pretty face it will  
be from happy let me make you happy baby

For your smile I'll be a clown I'll get my laugh bags and  
my funny shoes bring your heart and sit right down  
there is nothing I won't do just to make you happy

I just wanna make you happy baby I'm so close I feel  
your sorrow too when I'm see you cry my eyes won't  
stay dry ooooh, ooooh, ooooh, baby can't you I just  
wanna be I wanna be your happy

I wanna make you happy baby I want, want you in my  
arms be your blanket keep you safe and warm I want  
be your guiding light let me lead you down the path of  
light

Happy baby, baby I won't let them take your smile away

Don't be sad and blue happy come for you I will take a
