"Son Of Sagittarius"

I'm the fire, number nine, zodiac sign.
Jupiter brings me the power.
Saturn brings me peace of mind.

No use tryin' to change me.
In lady luck, I put my trust

I'm the son of, I'm the one,
I'm the one, I'm the son of
Sagittarius.

Pretty girls are my desire
But with love I play no games
Aries women set me on fire,
And Leo lovers fan my flame.

I'm a (right doin')? guy, yeah
But sometimes I backslide,
The devil makes me act up.

Just the son of,
I'm the one,
I'm the one
The son of Sagitarrius.
