Ooh, well, well, well  
Well, well, well

Hey, have you ever tried  
Really reaching out for the other side?  
I maybe climbing on rainbows  
But, baby, here it goes, here it goes

Dreams are for those who sleep  
Life is for us to keep  
And if you're wondering what this song is  
leading to  
I wanna make it with you  
I really think that we could make it, girl

No, you don't know me well  
And every little thing only time will tell  
If you believe the things that I do  
Then we'll see it through together, baby

Life can be short or long  
Love can be right or wrong  
And if I choose the one I'd like to help me  
through  
I'd like to make it with you  
I really think that we could make it, girl

If you just believe in me like I believe in you  
We can make it, we can make it, girl  
We can make it, we can make it, girl  
We can make it, we can make it, girl  
We can make it, we can make it, girl

Baby, you know that dreams are for those who sleep  
Life is for us to keep  
And if I choose the one I'd like to help me  
through  
I'd like to make it with you, baby  
I really think that we could make it, girl

If we just try, baby, put our heads together, girl  
If you believe in me, oh, baby

Together, baby, feeling kinda funny  
[Incomprehensible]  
We can do it, baby

Sayin' we're stepping on a gear of faith  
Sayin' we can make it, baby  
Sayin' we're stepping on a gear on my limb  
Sayin' we can make it, baby

Sayin' I'm stepping on a gear with my  
heart in my hand  
Sayin' we can make it, baby  
If you believe in me  
We can make it, yeah, together

Have you let believe that you believe in me  
We can just make it, baby?  
If we try harder, baby, make it, make it  
I'd like to make it with you  
I really think that we can make it, girl  
Just you and me, me and you, girl
