And you don't wanna talk, you don't wanna dance  
Whether you come out smellin' and lookin' good like  
that  
Oh, baby, baby, baby  
Come on you get home, I know you're all alone  
Feelin' all depressed, soon you're gonna go  
'Cause you've got it there and I do too

Don't wanna be like your girlfriends  
Seein', playin' poor guys, no, baby  
You wanna have a commitment  
When you don't give a damn 'cause I'm lovin'  
Why don't you then give it up, turn it loose, let it go?

Your attitude just tells on you  
You ain't been tapped, my baby, you're gone crazy  
It's obvious, your every word is so absurd  
You ain't been tapped here, lady, you need a  
[Incomprehensible]  
Let me tap that, let me tap that, let me t-t-tap that

Baby, tell me why you can't see all the odds  
I wanna make it good if only for one night  
But you've gotta want me, oh, baby, baby  
And, baby, you know me and girl let's keep it real  
How sweet it's gonna be, how good it's gonna feel  
Us back together makin' love again

But every time I see your face  
You act like the woman in your space  
My feelings for you can never change  
So let me make you feel good for old time's sake  
Why don't you give it up, turn it loose, let it go?

Your attitude just tells on you  
You ain't been tapped, my baby, you're gone crazy  
It's obvious, your every word is so absurd  
You ain't been tapped here, lady, you need a  
[Incomprehensible]

When we get comin' around with that frown  
And you want it [Incomprehensible] me to go down

Baby, guess I want love  
Let me tap that, let me tap that, let me t-t-tap that

Your attitude just tells on you  
You ain't been tapped, my baby, you're gone crazy  
It's obvious, your every word is so absurd  
You ain't been tapped here, lady, you need a  
[Incomprehensible]

Your attitude just tells on you  
You ain't been tapped, my baby, you're gone crazy  
It's obvious, your every word is so absurd  
You ain't been tapped here, lady, you need a  
[Incomprehensible]

Let me tap that, let me tap that, let me t-t-tap that  
Let me tap that, let me tap that, let me t-t-tap that  
Let me tap that, let me tap that, let me t-t-tap that  
Let me tap that, let me tap that, let me t-t-tap that
