Give me just a piece of your heart
And I'll show you that you have been wrong
Give me just a piece of your heart
And I'll prove to you your love for me is strong

Give me just a piece of your heart
And you'll see you won't change your mind
Give me just a piece of your heart
And everything will be so fine

You're telling me your love is gone
But I can only tell you that you're wrong
I can see that you are missing
This boy that you've been hugging and kissing

Give me just a piece of your heart
Open up your heart for love and let me in
Give me just a piece of your heart
and I swear that you will love me once again

SOLO

You're telling me your love is gone
But I can only tell you that you're wrong
I can see that you are missing
This boy that you've been hugging and kissing

Give me just a piece of your heart
Open up your heart for love and let me in
Give me just a piece of your heart
and I swear that you will love me once again
