When Cupid's aiming
He's aiming right at your heart

When Cupid's ready
His aim is steady
So don't you try to be smart

He always let you
Fall in love, if he'll get you
Look out
He's aiming at you heart

When love is hurting
You can't be certain
Your case is closed from the start
You know he's winning
From the first beginning
Look out
He's aiming at you heart

Cupid I know that girl is thinking of me
Cupid hit her heart and make her love me

Cupid's aiming
And love is flaming
He never want us to part
So save your kisses
Cause he never misses

Look out
He's aiming at you heart

SOLO

Cupid I know that girl is thinking of me
Cupid hit her heart and make her love me

Cupid's aiming
And love is flaming
He never want us to part
So save your kisses

Cause he never misses

Look out
He's aiming at you heart

Ohhhh, aaohhh, aooohhhh, aaohhhh
At your heart

He's aiming at your heart
Ohhhh, aaohhh, aooohhhh, aaohhhh
At your heart

Ohhhh, aaohhh, aooohhhh, aaohhhh
At your heart
