Anytime you want my loving
Anytime you need me call me baby
Anytime you need my honey
You know I'll be running, you know I'll be coming

Anytime at all you need my loving
Anytime you need me I'll be there
Anytime at all you know I'm coming
Anytime at all you know I care

Cause I need you
I have told you one hundred times before
Cause I need you
Anytime at all, anytime at all, anytime at all

You did almost give me fever
Cause you give the love I need so badly
If you love someone you need her
You know I'll be coming if you want me honey

Anytime at all you need my loving
Anytime you need me I'll be there
Anytime at all you know I'm coming
Anytime at all you know I care

Cause I need you
I have told you one hundred times before
Cause I need you
Anytime at all, anytime at all, anytime at all

Cause I need you
I have told you one hundred times before
Cause I need you
Anytime at all, anytime at all, anytime at all
