Baby, baby, baby, I've got love on my mind
Baby, baby, baby, 'cause you're looking so fine
I'm in love, I really want you, my friend
Every time I see you, baby, all I wanna be is your man

Honey, honey, honey, don't you tell me no lie
Honey, honey, honey, 'cause I'm starting to cry
I'm in love, I wanna treat you alright
Come on, pretty baby, let us rock and roll the rest of
the night

Baby, baby, baby, don't you tell me I'm wrong
Say you wanna rock and roll with me all night long
Honey, honey, honey, it is you that I need
Come on, little girl, spend some time with me

Baby, baby, baby, I've got love on my mind
Baby, baby, baby, 'cause you're looking so fine
I'm in love, I really want you, my friend
Every time I see you, baby, all I wanna be is your man

(Solo)

Baby, baby, baby, don't you tell me I'm wrong
Say you wanna rock and roll with me all night long
Honey, honey, honey, it is you that I need
Come on, little girl, spend some time with me

Honey, honey, honey, don't you tell me no lie
Baby, baby, baby, 'cause I'm starting to cry
I'm in love, I'm gonna treat you alright
Come on, pretty baby, let us rock and roll the rest of
the night
