Cherokee Indians you know the white men has treat us
right
Cherokee Indians pick up your axe and start the fight
Let us show the men who took our country
With the men and our rights

We were free and proud men
Lived together with out hate
Then the came the white men
Forced us into reservate

They been steeling a country
Steeling our souls
Now every day
Is a tower of hate
When despise them all

With the Cherokee Indians
Waiting for our last revenge

Cherokee Indians you know the white men has treat us
right
Cherokee Indians pick up your axe and start the fight
Let us show the men who took our country
With the men and our rights

SOLO

Cherokee Indians you know the white men has treat us
right
Cherokee Indians pick up your axe and start the fight
Let us show the men who took our country
With the men and our rights

Cherokee Indians! Cherokee
Indians!.. Cherokee Indians!
