Your mother disapproves, our love  
Your father disapproves, our love  
Your brother disapproves, but I love you dear

Your sister disapproves, our love  
Your teacher disapproves, our love  
Your relatives disapproves, though you love me dear

Oh, oh, oh some day they'll see  
That we were not to young  
Oh, oh, oh they gonna see that our love was strong oh,  
ohhh

Your mother disapproves, our love  
Your father disapproves, our love  
Your brother disapproves, but I love you dear

Your sister disapproves, our love  
Your teacher disapproves, our love  
Your relatives disapproves, though you love me dear

Oh, oh, oh they seems to think  
That our love's a game  
Oh, oh, oh though we are young, love is a burning  
flame oh, ohhh

(SOLO)

Your sister disapproves, our love  
Your teacher disapproves, our love  
Your relatives disapproves, though you love me dear
