This night was the last night
When you gave the love you saved

And I feel just like I'm sinking
And I'm begging you should wait

Though I know that you'll be going
Still I hope you will return

Though the love that was growing
Is about to stop to burn

Don't go down to Amsterdam
Cause I know I'll loose you there

Don't go down to Amsterdam
Where the people are pretty
It's a beautiful city

Stay here just a little while
It's the last time I'm your man

Hide your thoughts behind your smile
In the minute you're gone, then your heart will belong
to Amsterdam

While I'm listening to your heart-beat
From my fingers through your hair

I can still taste the love that's so sweet
Though it soon will disapear

When I shut the door behind me
Then your feelings will be gone

And I know you will forget me
When you're leaving on your own

Don't go down to Amsterdam
Cause I know I'll loose you there

Don't go down to Amsterdam
Where the people are pretty
It's a beautiful city

Stay here just a little while
It's the last time I'm your man

Hide your thoughts behind your smile
In the minute you're gone, then your heart will belong
to Amsterdam
