Oh, oh, I don't believe in love no more
No, no, I don't believe in love no more

The teasing and the cheating and the fooling and the
lies
You do the best to please her and she only makes you
cry
You tell her that you love her then she finds some other
guy
Oh, oh, I don't believe in love no more

Oh, oh, I don't believe in love no more
No, no, I don't believe in love no more

You find a little cutie make a home and settle down
Then she starts to run around with every man in town
You tried to bring her back but you were only made a
clown
Oh, no, I don't believe in love no more

When you will find a woman that you really love
And tell her how you feel she won't believe you
But then you get married and you settle down
And then she'll only run away and leave you

Oh, oh, I don't believe in love no more
No, no, I don't believe in love no more

The teasing and the cheating and the fooling and the
lies
You do the best to please her and she only makes you
cry
You tell her that you love her then she finds some other
guy
No, no, I don't believe in love no more

(Solo)

When you will find a woman that you really love
And tell her how you feel she won't believe you
But then you get married and you settle down

And then she'll only run away and leave you

Oh, oh, I don't believe in love no more

No, no, I don't believe in love no more

Oh, oh, I don't believe in love no more

No, no, I don't believe in love no more
