Something's happening inside of me
I was sure that I was really free
From the one that didn't leave me anything but pain

I'm still proud, and I was really sure
That I didn't need you anymore

Then suddenly I realize I'm still in chains

I go to pieces, everytime I see you passing by
And the moments we had, still makes me sad
They're making me cry

I go to pieces, when I know that you're with someone
new
And all suddenly I have no pride and I can not hide that
I'm loving you

Never thought I'd get a broken heart
Didn't care at all when we did part
Then you suddenly appear and sweep my heart away

You was someone that was left behind
Suddenly you're allways on my mind

And all I can do, is dreaming that you'll come back
some day

I go to pieces, everytime I see you passing by
And the moments we had, still makes me sad
They're making me cry

I go to pieces, when I know that you're with someone
new
And all suddenly I have no pride and I can not hide that
I'm loving you

I go to pieces, cause losing you means only pain
I go to pieces, if I can't have you back again

(Solo)

I go to pieces, when I know that you're with someone
new
And all suddenly I have no pride and I can not hide that
I'm loving you

(Solo)

I go to pieces, when I know that you're with someone
new
And all suddenly I have no pride and I can not hide that
I'm loving you

I go to pieces!
