I don't wanna cry
If I must leave you
I sure will die
You, my love is true
If you don't want me
Want can I do

You say you'll leave me
I don't believe
One single word that you say
I never stand it, to see you leave
Would mean a hell to me each day

Don't, please baby don't
Don't ever leave me
Cause I love you all too much

SOLO

You say you'll leave me
I don't believe
One single word that you say
I never stand it, to see you leave
Would mean a hell to me each day

Don't, please baby don't
Don't ever leave me
Cause I love you all too much
Cause I love you all too much
Yes I love you all too much
