INTRO

Someday soon the sun and moon
will shine the way for me
no more days of crying ways
one day i be free

When the trumpets sounds i'll be off the ground
and I gonna fly like an eagle in the welted skies

One fine day, I'll be saved
and he will take my hand
No more greed he's with me
And he will understand

When the suns go down the light from him will light my
way
And there only be tomorrow 'couse there never be no
yesterday
Some fine day, he'll call my way
And I will be saved

INTERLUDE

No more tears and no more fears
And no more misery
Brighter days in every way
Only joy for me

When I hear him call
I will leave it all
Waking in this race
An forget about the yesterday

One fine day, I'll be saved
and he will take my hand
No more greed he's with me
And he will understand

When the suns go down the light from him will light my
way

And there only be tomorrow 'couse there never be no
yesterday
Some fine day, he'll call my way
And I will be saved

Some fine day, he'll call my way
And I will be saved
