Oh, yeah!

I'm in love, I'm in love for the very first time

And my wounds are all healing and I am feeling oh, so fine

I'm in love and I wanna tell all the world

That my bad days are gone now at last I have found myself a girl

I wanna shout all about it, scream all about it in the streets,

in the streets

Tell all about her, now I have got the girl that I need, girl that I need

I used to be oh, so lonely, my love was only sad and blue, sad and blue

My bad days are over, the day that I saw her my dream came true

I'm in love, I'm in love for the very first time

And my wounds are all healing and I am feeling oh, so fine

I'm in love and I wanna tell all the world

That my bad days are gone now at last I have found myself a girl

I wanna tell everybody, show everybody how I feel, how I feel

Tell all about her, tell all about the dream that is real, dream that is real

I always thought I'd be lonely, now there is only joy in me, joy in me

The sun shines above me and life is as lovely as life should be

Oh, I'm in love, I'm in love for the very first time

And my wounds are all healing and I am feeling oh, so fine

Oh, I'm in love and I wanna tell all the world

That my bad days are gone now at last I have found myself a girl

Oh, I'm in love, I'm in love for the very first time

And my wounds are all healing and I am feeling oh, so
fine
Oh, I'm in love and I wanna tell all the world
That my bad days are gone now at last I have found
myself a girl
