"Impossible Love"

Every time I see you I feel blue
Cause I know I never get to you
So I close my eyes and dream impossible love

I'm a fool that is what I've been told
You're to young and daisy I'm to old
So I close my lips and dream impossible love

All the things that I feel I just have to console
Every time you walk by I feel blue
Cause my heart never mends so I have to pretend
That someday I will walk there with you

So it's you I'm always dreaming of
Darling please forgive this hopeless love
I won't say I word just dream impossible love
