"In The Neighbourhood"

She lives in the neighbourhood.
A girl that looks so good.
She's everything a man could want.
And every time she passes me by.
She moves a string inside.
She's everything a man could want.
Tell me I love that girl and I will laugh.
But deep inside I know you're right.
If I ever get a chance to win her heart.
I will treat her oh-so right.

She lives in the neighbourhood.
A girl that looks so god.
She's everything a man could want.
And every time she passes me by.
She moves a string inside.
She's everything a man could want.
Tell me I love that girl and I will laugh.
But deep inside I know you're right.
If I ever get a chance to win her heart.
I will treat her oh-so right.

She lives in the neighbourhood.
A girl that looks so good.
