I'm out of job, I'm out of dough
I've gotta get it somewhere and the I've gotta go
I've gotta move, oh, lord I've gotta move
It's burning in my soul and I need some rock and roll
I've gotta move

I've got no love, so what the heck
If I don't move I will turn into a nervous wreck
I've gotta move, oh, lord I've gotta move
It's burning in my soul and I need some rock and roll
I've gotta move

I played the game, and I did loose
But don't you think that I'll stick around and sing the blues
I've gotta move, oh, lord I've gotta move
The road is always free and it's waiting there for me
I've gotta move

Yeah

SOLO

Gonna fly away like an eagle in the sky looking for
some place to set
Don't you think that I will be looking back
You think you've won the game but I'm not out of battle
yet

I'm out of luck but I can tell
My luck is gonna turn when I've gone out of hell
I've gotta move, oh, lord I've gotta move
It's burning in my soul and I need some rock and roll
I've gotta move

I'm out of job, I'm out of dough
I've gotta get it somewhere and the I've gotta go
I've gotta move, oh, lord I've gotta move
It's burning in my soul and I need some rock and roll
I've gotta move

I've gotta move
Oh, oh, I've gotta move
Yeah, I've gotta move
Oh, oh, I've gotta move
It's burning in my soul and I need some rock and roll
I've gotta move

Well, it's burning in my soul and I need some rock and
roll
I've gotta move
Well, it's burning in my soul and I need some rock and
roll
I've gotta move
