The sun is rising and I must leave
I know that you'll be praying for me
God only knows if we'll meet again
Juanita

My riffle's loaded and I prepare
To shoot somebody waiting out there
And though I hate this war
I'd rather die then to run

When I'm gone, please be strong
Juanita
When I'm gone, sing a song
Juanita

Then I'll here in the wind
That old song we used to sing

Sing a song when I'm gone
Juanita

The enemy who's waiting out there
Are just like us all frightened and scared
They hate the war as much as we do
Juanita

So if I don't come back here again
Don't blame the man who killed me my friend
We're just the marionettes
Somebody else pulls the strings

When I'm gone, please be strong
Juanita
When I'm gone, sing a song
Juanita

Then I'll here in the wind
That old song we used to sing

Sing a song when I'm gone
Juanita

Sing a song, sing a song
My love
