Gonna have some fun, buy a ticket to the sun  
Spend the summer on the beach with my friends  
No more working days, I'll be rolling in the hay  
With a pretty little girl once again

Just havin' fun  
Just havin' fun  
Just havin' fun  
Just havin' fun

Going out of town and you know it's hammer time  
When my Cadillac is rolling ahead  
Got a heavy roll when I'm burning up the road  
And this come spinning 'round in my head

Just havin' fun  
Just havin' fun  
Just havin' fun  
Just havin' fun

Going out of town, gonna get around  
Going to some place where no one puts me down  
Feeling oh, so free, nothing worries me  
I'm must runka runka as anyone could be

Gonna runk my ball 'cause I'm crazy in my skull  
Gonna runk my balle down in the bays  
Sitting on the bay, gonna west a fool away  
Going west around away to a friend

Just havin' fun  
Just havin' fun  
Just havin' fun  
Just havin' fun

Going out of town, gonna get around  
Going to some place where no one puts me down  
Feeling oh, so free, nothing worries me  
I'm as runka runka as anyone can be

(Solo)

Just havin' fun  
Just havin' fun  
Just havin' fun  
Just havin' fun

Gonna have some fun, buy a ticket to the sun  
Spend the summer on the beach with my friends  
No more working days, I'll be rolling in the hay  
With a pretty little girl once again

Just havin' fun  
Just havin' fun  
Just havin' fun  
Just havin' fun
