Here I'm coming, rolling down the line  
Here I'm coming, feeling oh so fine  
In a 120 miles or more  
Keep on rolling, here the engine roar  
And I don't know what I'm gonna do  
Don't know where I'm going to  
Maybe somewhere, something new  
Oh, oh, oh, oh

I've been rolling in my Cadillac  
Keep on rolling, never coming back  
In my pocket there's a lot of dough  
And I don't know where I'm gonna go  
And I'm never coming back again  
Gonna keep on driving and  
Burn all money I can spend  
Oh, oh, oh, oh

Roll my Cadillac down the line  
Spend my money and feel so fine  
Keep on rolling, keep on rolling  
All I want is a driving-wheel  
You imagine the way I feel  
Going crazy way down the track  
Rolling in my pink Cadillac

Here I'm coming, rolling down the line  
Here I'm coming, feeling oh so fine  
In a 120 miles or more  
Keep on rolling, here the engine roar  
And I don't know what I'm gonna do  
Don't know where I'm going to  
Maybe somewhere, something new  
Oh, oh, oh, oh
