Ready, got my Chevrolet
Gonna take a ride in town
Tonight I'm gonna spend my pay
Like a son of a gun I'll be strutting around

Bought the beauty yesterday
Didn't let no money down
Burning up the road today
When I step on the gas I'm the king of this town

I said it, no cruising in my car no more
No cruising in my car no more
No cruising in my car no more
I wanna mood

No cruising in my car no more
No cruising in my car no more
No cruising in my car no more
I wanna mood

Driving up and down the street
Gonna have som fun tonight
Pick up all the beauties I see
Like a son of a gun, gonna treat them all right

Got the biggest car in town
All the chicks are standing in line
Ain't nobody putting me down
In a week over the night all the beauties are mine

No cruising in my car no more
No cruising in my car no more
No cruising in my car no more
I wanna mood

No cruising in my car no more
No cruising in my car no more
No cruising in my car no more
I wanna mood

Gonna have a ball tonight

Spending every dime I've got
Gonna play my dices straight
When she says: Oh yes! Gonna take her out

No cruising in my car no more
I said it, no cruising in my car no more
I said it, no cruising in my car no more
I wanna mood

(Solo)

Well, no cruising in my car no more
No cruising in my car no more
No cruising in my car no more
I wanna mood

Well, no cruising in my car no more
No cruising in my car no more
No cruising in my car no more
I wanna mood
I wanna mood
I wanna mood
Well, well, wella mood
Well, Jerry Willams mood
Well, Elvis Presley mood
Well, Robert Walker mood ...
