True love always is very hard to find, hard to find  
But I've found it and it's because you're mine, 'cause  
you're mine

Never thought that loving could be like this  
And I'll never leave you because I need you baby

No one else could love me baby the way you do  
No one else could treat me baby the way you do  
Always love you baby is what I wanna do  
No one else could treat me baby the way you do

I've found happiness in the love you give, love you give  
I've found happiness in the life we live, life we live  
As long as you want it I'll stay with you  
And I'll never leave you because I need you baby

No one else could love me baby the way you do  
No one else could treat me baby the way you do  
Always love you baby is what I wanna do  
No one else could treat me baby the way you do

Oh, yeah!

SOLO

No one else could love me baby the way you do  
No one else could treat me baby the way you do  
Always love you baby is what I wanna do  
No one else could treat me baby the way you do

Woh, oh, yeah!
